

Rebound

An evening with NBA star and youth advocate Chris Herren

Thursday, October 26th at 7:00pm

Downers Grove South High School

1436 Norfolk St. Downers Grove, IL 60516

District 99 is proud to welcome back Chris Herren. He joins us as part of our 2017 Red Ribbon Week and ongoing substance prevention Student Assistance Program.

As a young man, Chris realized his dream to play basketball in the NBA only to lose that dream a few years later due to alcohol and drug dependence. In recovery and sober since 2008, Chris's mission is to share his story and educate students and families on the serious risks of underage drinking and drug use.

Bring your teen and family to hear his inspiring message at this free community event.
