

# Elementary School District 102

*PRESENTS...*

“PRIMARYLY CODING”

**SOAR Winter Session 2018**

SCIENCE ⚙️ TECHNOLOGY ⚙️ ENGINEERING ⚙️ MATH

## GENERAL INFORMATION

- **Primarily Coding** is a general enrichment opportunity provided through the D102 Talent Development Program. The key goals of this class are student led engagement and an introduction to the coding program, Scratch. We will use MIT's "Scratch" program to teach kindergarteners the basics of the program so that they may continue to create and explore on their own.
- Highlights Include:
  1. Students will learn the concepts related to computer programming.
  2. Students will learn basic coding skills using Scratch Coding on iPads.
  3. Students will have the opportunity to explore other "means" of coding (Code.org, Code and Go mouse, Ozmo.)
- Primarily Coding is open **ONLY to kindergarten students**. No experience is necessary. Given the nature of the classes and the students served, a very high level of behavioral standards is optimal for the benefit of everyone.
- This session will run five Tuesdays after school – February 6<sup>th</sup>, February 13<sup>th</sup>, February 20<sup>th</sup>, February 27<sup>th</sup>, and March 6<sup>th</sup> from 3:30PM – 4:30PM, at Barnsdale Road School. **The cost is \$30.** Students may bring a snack to class. **PLEASE do not bring peanuts.**
- Registration forms and information are found on PushCoin. Registrations will be taken on a first-come, first-served basis. If the class is full, PushCoin will not allow you to select the class. Classes are open to students within AND outside of District 102. Notification of classes that are canceled due to low enrollment will be made via an email.
- Cancellations requested will be charged a \$10 processing fee. **Refund requests must be made by February 1<sup>st</sup>.** Requests **cannot** be honored after that date.
- Registration questions should be directed to Randy Lange @ 708-215-7123.

## ABOUT THE TEACHERS

Ms. Smith is a kindergarten teacher at Barnsdale Road School  
Andrew Tarasuk is a senior at Lyons Township High School

**THIS IS A GREAT WAY TO GET AN EDUCATIONAL DOSE OF TECHNOLOGY  
ENRICHMENT!**
